Thank You Card Station

Mentorship is at the heart of Uplift, but gratitude extends far beyond the program. **Take a few minutes to write a handwritten note to someone who made a difference in your journey.**

IF YOU'RE A FOUNDER

Think of a mentor, a fellow founder, a speaker, or someone from this summer's program.

IF YOU'RE A MENTOR OR GUEST

Think of who changed your career's trajectory, opened a door, or believed in you first.

Sometimes the most meaningful thing you leave with isn't a new connection. It's the chance to recognize someone who made your journey possible.
