

Fall 2026 Dates to Know

Sixteen events across three places. The Summit sessions are yours now, Zeev's dates stand, and everything is expected of you. Three moments collide, and those are the only real decisions.

16 EVENTS	3 YOU MUST CHOOSE	3 PLACES	12 DAYS
---------------------	-----------------------------	--------------------	-------------------

The three you cannot do both of

- 1** **Wednesday morning.** Board Matchmaking and the ServiceNow breakfast overlap by ninety minutes. Both midtown, so a split is at least possible.
- 2** **Wednesday afternoon into the night.** Future of Impact at the stadium against either midtown dinner. The ballpark takes the whole evening.
- 3** **Thursday, November 12.** Creative & Brand against Cloud & AI. Two New York dinners, one night, and nothing about the timing separates them.

Everything else in the fall runs clean.

Zeev's dates, in order. He gave no times for any of them.

Cybersecurity Executive Dinner

MIDTOWN, PRESUMED

TUE SEP 29 · PM

A Marketing Leadership dinner runs in New York the same night, unhighlighted and not yours.

Revenue Leadership Executive Dinner

MIDTOWN, PRESUMED

THU OCT 1 · PM

An Executive Leadership Activation sits on the same date with no city given. Possibly the daytime half of this one.

Northwell / TCF: Technology & Innovation Conference

NEW YORK

WED-THU OCT 21-22 · ALL DAY

Two full working days, and the only daytime commitment in October.

Creative & Brand Leadership Dinner

MIDTOWN, PRESUMED

THU NOV 12 · PM

The one Zeev highlighted, so the default unless you say otherwise.

Cloud & AI Executive Dinner

MIDTOWN, PRESUMED

THU NOV 12 · PM

Not highlighted, but it is a New York dinner on a night you are already out. Timing is not what rules it out, only Zeev's pen.

Landmark 25th Annual Celebration / Retreat

TARRYTOWN, WESTCHESTER

WED-FRI NOV 18-20

The only one outside the city. Three days upstate, so it takes a room, a car, and the end of that week.

The three places

Midtown Manhattan

12 EVENTS

Seven Summit sessions plus every dinner. Walkable, so back-to-back works here.

Yankee Stadium, the Bronx

2 EVENTS • SEP 22 AND 23

Tuesday you slot it between the breakfast and the dinner. Wednesday you cannot, because Future of Impact runs to first pitch. Roughly forty minutes each way from midtown.

Tarrytown, Westchester

1 EVENT • NOV 18-20

The only overnight. About an hour north, so plan on driving or Metro-North.

Sources. Zeev's "Upcoming Calendar – Fall 2026" email for the holds, green highlights read from his screenshot. Summit sessions and times from unga.socialinnovation.com and futureofimpact.socialinnovation.com, read Sep 1.

Venues. The Summit lists only “Midtown, NYC” for its sessions and Zeev gave no venues at all, so exact addresses are still open. “Midtown, presumed” means exactly that.

Also true. He asked to find time to connect this week.
