Other Comments:

Please comment in the section below on any additional details including program challenges, achievements, financial updates, press/news, legal issues, or other relevant updates to share (both positive and/or negative).

NJEDA staff (Immanuela Antwi, Abdelrhman Seliman) attended and were provided the opportunity to speak and present NJEDA programs to all attendees. Four cohorts graduated at the Summit; the event included the founder Pitch Challenge and program completion recognition.

Attachments:
